Introduction

Decisions regarding students’ grades in individual courses may become the subject of an informal or formal appeal.

This document sets out the informal procedures to be followed by students before initiating a formal appeal. The Faculty of Education encourages students to seek early support and guidance from the appropriate department/school/unit graduate coordinator or equivalent, appropriate department program advisors, as well as the Student OmbudService. If the matter is not resolved through informal measures, this document also outlines the formal regulations by which academic decisions may be appealed.

1. **Terms of Reference and Exclusions**

   Education Faculty Council has delegated authority to hear petitions.

   1.1 The Faculty is authorized to hear appeals related to grades. This includes:
      - grades awarded in individual faculty courses. The Associate Dean (Graduate Studies) has the final authority to hear and determine grade appeals.

   1.2 The Faculty shall have no jurisdiction to hear an appeal until the student has exhausted all informal procedures available within the respective department/school/unit and faculty.

   1.3 The faculty shall hear an appeal from the same student against the same decision only once.

   1.4 The decision of the Associate Dean (Graduate Studies) in matters of grade appeals is final. No further appeal will be considered. (U of A Calendar Section 23.8.4)
1.5 If the matter concerns academic standing, students will need to contact the FGSR.

2. **Grounds for Informal and Formal Faculty Appeals**
   The grounds for an appeal include:
   a) procedural errors on the part of a department/school/unit of the faculty;
   b) failure on the part of a department/school/unit or faculty official to make a decision in a fair and equitable manner in light of the procedures, standards and circumstances applicable in the case of a student;
   c) failure of the faculty to consider all factors relevant to the decision being appealed.

3. **Grade Appeal Initiation and Deadlines**
   Advice on the preparation and submission of grade appeals is available directly from the Faculty’s Departments/Schools/Units and from the Student OmbudService.

   Appeal procedures pertain only to graduate courses taught in the Faculty of Education. Students appealing grades received in courses taught outside the Faculty of Education must follow the appeal guidelines of the faculty in which the courses are taught.

   There are deadlines for the initiation of appeals. Please refer to the grade appeal procedures and deadlines for the department/school/unit in which the course was taken. Appeals submitted after the appeal deadline will not be considered.

   For matters concerning reappraisals of final papers or examinations and reexaminations, students should refer to their department/school/unit’s website or graduate handbook. Marks or grades assigned as a result of reappraisals of final examinations or reexaminations are final; there will be no opportunity to appeal these decisions.

4. **Informal and Formal Appeals Procedures**
   4.1 Grade appeals on faculty courses should first be directed to the instructor concerned or to the course coordinator if the instructor is unavailable.

   4.2 If, after students have made a reasonable effort to resolve the matter with the instructor, the matter cannot be resolved or if it involves a program in a department, students shall then discuss their concerns with the graduate coordinator or equivalent of the department/school/unit in which the course is offered and follow those internal procedures and timelines.

   4.3 If the matter is not resolved at the department/school/unit level, students may appeal to the Associate Dean (Graduate Studies). Grade appeals, with supporting documentation, must be submitted to:

   The Associate Dean or Delegate / 845 Education South / 11210 – 87 Ave / Faculty of Education / University of Alberta Edmonton AB T6G 2G5, by:

   - March 1\(^{\text{ST}}\) for fall-term courses
   - June 30\(^{\text{th}}\) for full-year and winter term courses
   - September 30\(^{\text{th}}\) for intersession term courses.
